A screenshot of a web browser showing the registration page for Phantom. The browser's address bar displays 'huantengsmart.com/users/sign_up'. The page features the Phantom logo, which consists of a red circle with a white stylized '8' and the word 'Phantom' in a sans-serif font. Below the logo is the tagline '幻腾智能将给您带来前所未有的家居感受'. The registration form is a white box with four input fields: '手机号码' (Mobile Number), '姓名' (Name), '密码(八位以上)' (Password, 8+ characters), and '验证码' (Verification Code). To the right of the '验证码' field is a blue link '发送验证码' (Send Verification Code). At the bottom of the form is a large red button labeled '注册' (Register).
